

Nature Detectives

As you are aware, the children have studied The Farm and Under the Sea as part of our Nature Detectives topic. To support the childrens' learning further we would like your child to complete some of the following tasks.

Literacy

- Read a selection of books about farms.
- Read a selection of books about life under the sea.
- Discuss any new vocabulary that your child may learn.
- Draw a picture of your favourite farm animal.
- Draw a picture of your favourite sea creature.
- Label your picture and write some information about the creature that your child will happily share when back in school.

Maths

- Gather a range of your favourite toys, put them in height order.
- Create a repeating pattern using colour to make a beautiful patterned fish.
- Count the eyes on different farm animals, can you count in 2's to make your counting faster?

- Select different amounts of two pence coins, count the value using your knowledge of counting in 2's. Repeat with five pence and ten pence coins. Focus on one value at a time.

Creative Task – Open Ended

- Compare farms and the sea!

For this task you need to be as creative as you can be!!!
