

DERBY HIGH SCHOOL

ESTABLISHED 1892

Year 5

'Spring Term'

Project

Whilst you are away from school, Dr E-B and Mr Horne would like you to complete a project at home as a way to consolidate and further your knowledge around our school work.

Below you will see a grid. We have highlighted the tasks for you to complete and which subjects they link to. You can choose which elements you look at and when to complete them. We would like you to show curiosity and creativity when completing your work. For the tasks that require use of Purple Mash, we have written Purple Mash. You will then need to log on, go to '2Dos' and click on the activity that you would like to complete.

For the information that cannot be found on Purple Mash, there are lots of different places that you can get your information from, including: atlases, encyclopaedias, books, travel brochures, and the Internet.

Please think wisely about your activities, do not pick activities from only one subject and vary your choice.

Please bring any completed work on paper with you on the first day we return to school, or make sure you have clicked 'hand-in' on Purple Mash

When completing any work, remember that the quality and presentation should be up to the standard we expect with any piece of school work.

Please click on the [hyperlinks](#) in the table below to take you to some of the suggested resources.

English (Bikeability)	Purple Mash - Create a leaflet explaining how you can stay safe on your bike.	Purple Mash - Traffic Issues: Imagine you are a parent or van driver. Explain your views after watching the video. Use the side info to help.	
Maths (Geometry / Tables)	Purple Mash - 2Do's set for Multiplication, 3D Shapes, angles and co-ordinates	Purple Mash - Search for 2Simple Table Toons and practise times tables that you know you need to practise	Purple Mash - go to Home/Mathematics/Times Tables Printables for written practise of tables
Science (Properties of Materials)	Purple Mash - Matching objects game / natural and man-made sorting activity	Purple Mash - Reverse Changes: Write about examples of reversible changes, using the Internet and information on the task to help.	Purple Mash - Properties of Materials: Use your knowledge from our recent lesson to help create this poster.
Art	Purple Mash - Research a famous artist of your choice - it can be anyone who inspires you!		
Topic	Purple Mash - Ollie and the Great Stink Read each chapter on Purple Mash, having a go at the quiz before giving the task linked to the book a try.		
DT	The James Dyson Foundation Are you ready for a challenge? Can you skewer a balloon without popping it? Coat a nail in copper? What happens when you plug a clock into a potato? Download the challenge cards and use the website for ideas on some exciting activities you could then write and/or present		
Music	Victorians Song Have a go at learning this catchy song about the Victorians - for a bit of fun!	Have a go at rewriting the lyrics to the song 'Victoriana' that you sung at the Y5 Recital.	
PSHE	20 Activities for 20 Minutes Need some inspiration? Here's a list of activities you could do in twenty minutes with your child. (Some of these will need to be adapted for staying at home but there are some lovely ideas!)		

<p>PE</p>	<p>Go Noodle Access Go Noodle and build up minutes of activity at home!</p>	<p>BBC Supermovers A huge range of curriculum-linked videos.</p>	<p>The Body Coach 5 minute work-outs for children. There are also other playlists on his You Tube channel.</p>
<p>RE</p>	<p>Purple Mash - Create an information poster about the five pillars of Islam.</p>	<p>Purple Mash - Early Islamic Civilisation Timeline activity</p>	<p>Purple Mash - Early Islamic Civilisation: Family Life research task.</p>
<p>Computing</p>	<p>By using Purple Mash for all these activities, you will be improving your overall Computing Skill, such as Word Processing, researching, presenting and organising. We have set some Touch Typing games as a way to improve this skill.</p>		
<p>Guided Reading</p>	<p>On Purple Mash we have set you a guided reading story called Pit Boys. For each chapter that you read there are some comprehension questions to complete, a sequencing challenge and a spelling and grammar quiz. There are 7 Chapters in total. If you would like to extend your learning, try one of the linked activities to each chapter. They can be found by clicking here.</p>
