It is important that the Bursar's Department is made aware if you wish to take advantage of this deduction by 9.00 am on the first day of the second half of the Summer Term. Fees can also be paid monthly via School Fee Plan. When three or more siblings attend the school, there is a reduction of 33.3% on the tuition fees for the youngest child.

The basic school fee includes tuition, most books, stationery, lunch and a snack at break. Typical extras include exam fees, individual instrumental lessons and individual lessons for students with learning difficulties. School trips, photographs and miscellaneous other items are also charged as extras. These are either itemised on the school bill or charged directly by the person supplying the service.

Parental consent is normally sought for a child to take part in a chargeable activity.

Please contact the Bursar for more information.

PRIMARY EXTRA TIME

The after school club for our Primary children is called Primary Extra Time and runs from 3:30pm to 5:30pm daily. The cost is **£7.00 per hour** payable monthly. Children attending Primary Extra Time are collected from their classrooms at 3:30pm and taken to the Nightingale classroom in the Infant building where they have a snack and take part in various activities - arts & crafts, games both indoors and outdoors, weather permitting. Primary Extra Time places can be booked in advance or on the day when it is required. To book your child in please phone the school on **01332 514267**.

On Tuesdays and Wednesdays, which are longer days in the Senior School, we offer late waiting for no charge until 4pm for Junior pupils who have siblings in the Senior School so that only one pick-up is required.

ASSISTED PLACES

Assisted Places might be available to students in the Senior School only who would not otherwise be able to benefit from the education offered at Derby High School or in situations of temporary hardship. The maximum value of an Assisted Place is 50% of the basic school fee.

This remission does not apply to extras.

Parents applying for an Assisted Place will be required to declare details of income and investments, using the standard form supplied by the Bursar. This paperwork needs to be completed fully before any decision about the awards can be made. The Bursar may request to see parents applying for Assisted Places should any clarification be required of information supplied.

Students benefiting from an Assisted Place will be expected to be fully committed to the ethos of the school and to play a full part in the life of the school. Their assessment, reports and conduct will be expected to reflect their commitment to their studies.

Parents of students receiving Assisted Places are required to inform the school of changes in their financial situation.

Assisted Places are reviewed annually and are not guaranteed to remain the same year on year.

Please note that no combination of award / scholarship will exceed 50% of full fees.

PRIMARY DEPARTMENT

Your child will be invited to spend a morning in school joining in with a class of pupils of their own age. During that time we will observe them socially with other children and ascertain their ability to cope with the pace of learning in the class/year group. Older pupils would have some work to complete to identify their current level of working.
